The motion for reconsideration is DENIED. Contrary to appellant's position, the language of MCR 1.108(1) providing that the day of the event "after which the designated period of time begins to run is not included" means that one starts counting the next day as the first day after the event. It follows that the twenty-first day after January 17, 2020 was February 7, 2020. Thus, the claim of appeal in this file was not timely filed as it was not filed within 21 days after the January 17, 2020 trial court order, i.e., it was not filed by February 7, 2020. MCR 7.204(A)(1)(a)-(b).
